The audited annual net profits of the Company are negative for the two consecutive years in 2008 and 2009. According to the relevant provisions of the Rules Governing the Listing of Stocks on Shanghai Stock Exchange, A shares of the Company will be implemented the special treatment of “delisting risk warning”.

III. Opinion of the Board of Directors on seeking to revoke delisting risk warning and its specific measures

1. Improvement of marketing capability and enlargement of market share

The Company will reasonably adjust its marketing strategies, strengthen its market forecasting work, promptly respond to market and client information, refine its marketing areas, in order to improve its marketing capability and enhance the promotion effort of its new products, which will in turn enlarge its market share.

2. Cost reduction and enhancement of profitability

The Company will implement comprehensive cost and expense reduction measures, strictly control its capital expenditure, and further reduce the inventory and assimilate overstocking products, avoid unnecessary input and cut down the consumption of materials and energy, in order to enhance the equipment and capacity utilisation and increase the profitability of its products.

3. Integration of product structure adjustment and re-allocation of company resources

In order to achieve the objectives of business transformation, product upgrade and enhancement of core competitiveness, the Company will exercise maximum effort in re-allocating and adjusting its existing resources to focus premium resources on developing core product lines, and optimise and upgrade its product structures through technology and management innovations. It will also speed up the research and development of new products to accelerate the market launch of new products.

The Company proposes to ensure its turnaround in 2010 with the above measures, and seeks to revoke the delisting risk warning on the shares of the Company.

IV. Risk warning of potential suspension or termination of listing of shares

According to the relevant provisions of the Rules Governing the Listing of Stocks on Shanghai Stock Exchange, if the Company continues to sustain a loss in 2010, A shares of the Company will be subject to suspension of trading or termination of listing with effect from the date of announcement of the 2010 annual report.
